Timeline for events

Details correct at the time of going to press (July 2021), please see the NI website for more details www.nautinst.org/50thevents

A message from our President

Jillian Carson-Jackson FNI

I'm proud to be President at a time when the Institute has reached such a milestone. With a focus on our members and maritime professionals, we are proud to be influencing best practice in the industry including our work at the IMO. I look forward to a robust exchange of views on all aspects of future Maritime Leadership at all our 50th Anniversary events.

The Nautical Institute – celebrating 50 years

From its foundation in 1972, The Nautical Institute (NI) has grown into a worldwide professional membership organisation, with 56 branches and some 7,000 members in more than 120 countries. As the leading international body for maritime professionals, the Institute represents the best of what the shipping industry has to offer. From support and mentorship for those just starting out in the industry to the promotion of the highest professional standards in international forums, at an international level, The Nautical Institute plays a leading role at every level.

Our vision:

To provide inspiration, knowledge and leadership to maritime professionals around the world.

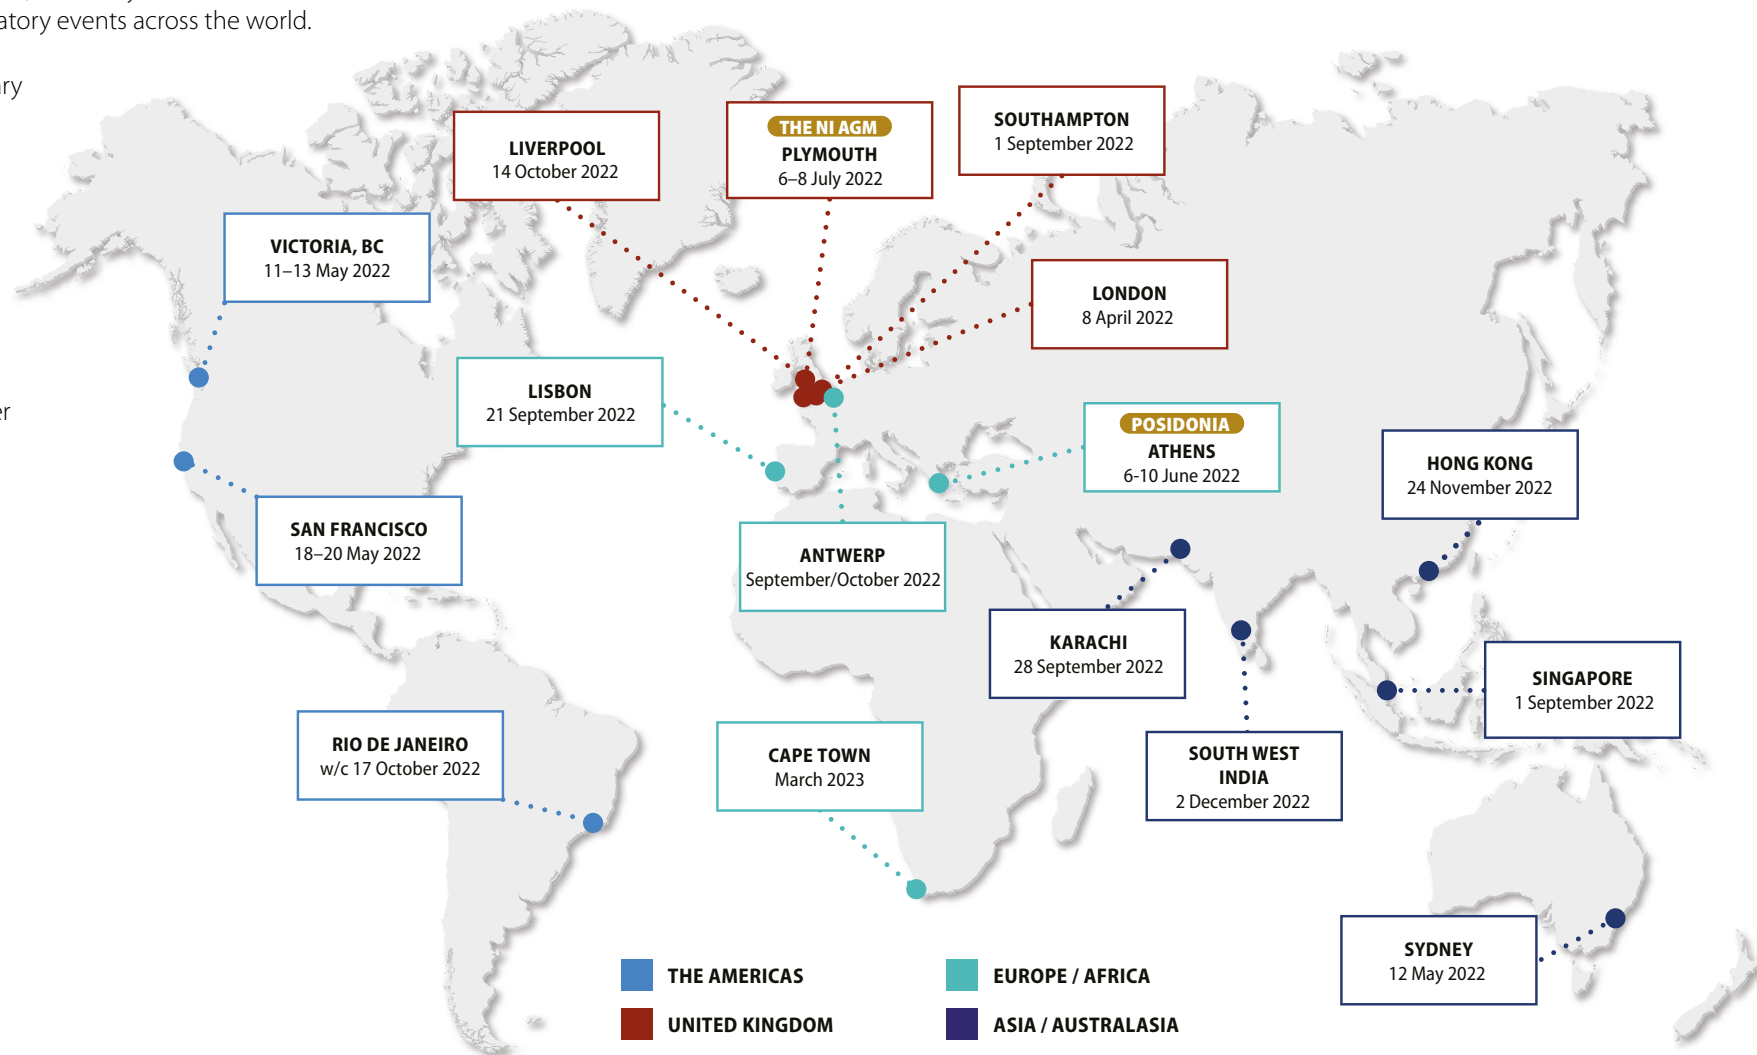

Our mission:

- To inspire maritime professionals
- To work together
- To share ideas and best practices
- To enable better decision making through the process of professional development
- To provide a safer, environmentally sound and sustainable maritime industry

A year of international events

In 2022 The Nautical Institute celebrates its 50th anniversary. We will mark this milestone by hosting a series of international events looking ahead to the next 50 years. These include our AGM, conference and dinner in Plymouth, UK in July and more technical seminars, networking and celebratory events across the world.

The theme for the 50th anniversary events is *Maritime Leadership in a Changing World*. We recognise that high quality leadership and excellent change management is essential in a time of accelerated development. Join us in shaping the next 50 years by exploring how we can work together, sharing ideas and best practice to enable better leadership through professional development.

Smart Seafaring

24 November 2022

Full day event, with an evening cocktail reception.
Detailed program to follow.

The first meeting of the Hong Kong Branch of the Nautical Institute committee was held in 1984. In the more than three and a half decades since the inception of the Hong Kong branch, the Branch has grown many folds, and we established solid cooperation with the Hong Kong Maritime Industry. In 2022 The Hong Kong Branch of the Nautical Institute aims together with the continuous cooperation with the Hong Kong Maritime Industry to promote professionalism, best practice, and safety throughout the maritime industry and represent the interests of its members in the Region. With a vibrant Maritime Community in Hong Kong and the Region, the Branch looks forward to welcoming the involvement of maritime professionals to encourage and support local maritime initiatives. To achieve this, the Branch would like to encourage our fellow professionals to join the Branch and participate in various networking opportunities and technical and social gatherings, professional development courses, and conferences such as our 50th-anniversary event. During the 50th anniversary event, the Branch expects to welcome 100 delegates at the Royal Hong Kong Yacht Club, with many more participating online.
