Thank you for your donation to the Maritime Professional Promotion Scholarship

Dear Capt. Loynd,

We are writing to express our thanks to your generous donation. Your kindness and support will ensure that Maritime Professional Promotion Federation can continue to provide scholarship to young people in Hong Kong, who have financial difficulty when working at sea as cadet.

The objective of the scholarship are to encourage young people in Hong Kong to join the industry and work at sea by providing them with financial incentive and/or assistance in order to undergo suitable training during their cadetship.

The Federation would strive to use those resources carefully in order to achieve our goals at the most efficient and effective way. We shall also keep you informed of our latest progress in future. Many thanks for your support. We are looking forward to your continued support.

Yours sincerely,

Capt. Marso, K.P. Law
