

The Nautical Institute – Hong Kong Branch

China Maritime Week Seminar

Challenges of Electronic Navigation

March 1, Hong Kong Convention and Exhibition Centre

This event will address the most significant paradigm shift in navigation in recent times. An excellent line-up of speakers has already been confirmed, including:

- **Hydrographers' and Chart Distributors' Perspective**

Mr George Arts – President, Marine Press of Canada

- **Effective use of Electronic Navigation Charts**

Captain Sriram Rajagopal – Training & QHSE Superintendent, Anglo Eastern Group

- **Understanding ECDIS Hardware**

Captain Bhupesh Gandhi – Director – Asia Pacific, MARIS

- **(Re) Training the Navigators**

Mr Nigel D Cleave – Chief Executive Officer of Videotel Marine International
