Details of the presentation: 6:30 pm to 7:30 pm followed by Q & A

Ship inspections & logistic partnerships – A New approach

The presentation is about building logistic partnerships through ship inspections and how such partnerships benefits the various parties involved in the maritime adventure. Walter will provide insights into facilitating chartering operations through ship inspections and the benefits of adopting a friendly approach rather than a police attitude.

This event is part of 2019 Hong Kong Maritime Week.

Reserving seats: There is no charge for this presentation. The presentation shall be followed by networking session over food and drinks.
